SHAKESPEARE RESEARCH

For an exhaustive research on Shakespeare's literary works, we need to know how many times the author uses every word in three of his masterpieces:

King Lear:
https://storage.cloud.google.com/apache-beam-samples/shakespeare/kinglear.txt

Othello:
https://storage.cloud.google.com/apache-beam-samples/shakespeare/othello.txt

Romeo and Juliet:
https://storage.cloud.google.com/apache-beam-samples/shakespeare/romeoandjuliet.txt

The expected output should be a single file.
